Information in this presentation is considered confidential and proprietary to Adcore and should not be disclosed or shared with others without Adcore's permission.

Certain statements herein relating to Adcore Inc. ("ADCORE" or the "Company") constitute "forward-looking statements", within the meaning of applicable securities laws, including without limitation, statements regarding future estimates, business plans and/or objectives, sales programs, forecasts and projections, assumptions, expectations, and/or beliefs of future performance. Such "forward-looking statements" involve known and unknown risks and uncertainties that could cause actual and future events to differ materially from those anticipated in such statements. Forward looking statements include, but are not limited to, statements with respect to commercial operations, anticipated revenues, the overall projected size of the market and other information that is based on forecasts of future results and other key management assumptions. The Company assumes no responsibility to update or revise forward-looking information to reflect new events or circumstances unless required by law. This presentation does not constitute an offer to sell or a solicitation of an offer to buy any security and should not be relied upon by you in evaluating the merits of investing in any securities.

Future Oriented Financial Information: To the extent any forward-looking information in this Presentation constitutes "future-oriented financial information" or "financial outlooks" within the meaning of applicable Canadian securities laws, such information is being provided to demonstrate anticipated results and the reader is cautioned that this information may not be appropriate for any other purpose and the reader should not place undue reliance on such future-oriented financial information and financial outlooks. Future-oriented financial information and financial outlooks, as with forward-looking information generally, are, without limitation, based on the assumptions and subject to the risks set out above. Our actual financial position and results of operations may differ materially from management's current expectations and, as a result, our revenue and profitability may differ materially from the revenue and profitability profiles provided in this Presentation. Such information is presented for illustrative purposes only and may not be an indication of our actual financial position or results of operations.

Non-IFRS Financial Measures: This presentation includes certain measures which have not been prepared in accordance with International Financial Reporting Standards ("IFRS") such as Adjusted EBITDA. Adjusted EBITDA does not measure performance under IFRS and should not be considered in isolation or as a substitute for net and comprehensive income or loss prepared in accordance with IFRS or as a measure of operating performance or profitability. Adjusted EBITDA does not have a standardized meaning prescribed by IFRS and is not necessarily comparable to similar measures presented by other companies.
